

# BAS News

## Berkshire Archaeological Society - July/August 2019

If you have problems reading this email you can download a pdf copy [here](#)

This is a combined issue as, apart from the Festival of Archaeology project at Ankerwyke, there will be little activity until lectures resume in September

[See the website for the next series](#)

Contact [John Painter](#) to book

[More information here](#)

### Petition for Reading Goal site

Matt Rodda MP is calling for Reading Gaol to be saved and turned into an arts hub and museum – to commemorate Oscar Wilde and other important historic events. The Prison is a very important part of Reading's history. It includes buried remains of Reading Abbey and is believed to also contain the burial place of King Henry I.

There is more on this and the archaeology of Reading Abbey in the latest issue of British Archaeology.

[Sign the petition here](#)

This news sheet is distributed to members of the Berkshire Archaeological Society
