News

Welcome to our Autumn Season

As memories of heatwaves subside, what better than to join your fellow enthusiasts in learning more archaeology at one of our regular indoor events. Lectures take place on the third Saturday of the month, while Finds and Study Groups meet on the first Tuesday and Wednesday. On the second Wednesday we hold an informal pub lunch session. Do join in any and all of these.

A special event this month is the annual Day School conference. See details below.

If you'd still like to do some fieldwork in the open air, look out for an announcement of geophysics survey activities at Wickham House.
